WORK EXPERIENCE

SoftOps Technologies | Indore, MP   **Nov 2023 – Oct 2024**

Associate Software Developer
• Developed multiple web applications using React.js and Typescript.
• Worked with both functional and class components.
• Fixed bugs and resolved issues to ensure smooth app performance.
• Collaborated with teams to deliver high-quality, scalable solutions.

PROJECTS

Scio Services:
Scio Services is a survey app that allows users to create customized surveys with various question types and formats.

Responsibilities:
• Developed a responsive UI using React and Material UI, ensuring a seamless user experience
• Identified and resolved bugs and errors to improve app stability.
• Enhanced code quality and optimized overall performance for improved app efficiency.

BAM:
BAM is a kid-friendly video app where children earn badges for watching age-appropriate content. It is fun and interactive, and it offers strong parental controls to ensure a safe, engaging environment for kids

Responsibilities:
• Developed and enhanced UI components for an engaging user experience.
• Fixed UI-related bugs to improve app functionality.
• Resolved authentication issues for smooth, secure user access.

Unicode:

Unicode allows customers to browse and purchase fashion items easily, offering a smooth and personalized shopping experience with regional sizing and preferences support.

Responsibilities:

• Developed and optimized the UI for a responsive user experience.
• Integrated Razorpay payment gateway for secure payment processing.
• Fixed UI bugs to enhance functionality and consistency.

EDUCATION

MCA from Sage University, Indore (M.P).
BSc from APS University, Rewa (M.P).
